Thanks, Mike! I passed your question about site charging on to Chuck. He was the one who asked me for the site code to start with, but since he's now assisting Andrea and Mark, I think this can be their call.

Hi Fran,

Here is the number, Not sure that it should be billed to PRP since this is our (EPA) undertaking? At least at this time.

See you,
Mike

Hi Mike. Would you please tell us what People Plus account code to use for yesterday's call? I'm a bit confused between the various Anaconda's listed.

Is it 2017 T 08L 303DD2 A882BD00?

Thank you!

Fran
